

FSW, in partnership with the Florida Department of Health, is pleased to announce that we will be offering a COVID-19 vaccination clinic. The clinics will be offered on the Lee, Collier, and Charlotte campuses. Hendry Glades staff are welcome to participate at any one of these locations.

Note: if you received a first dose of a vaccine at another clinic location, you are not able to schedule an appointment at one of the FSW clinics.

Please do not schedule a first dose on May 3rd if you are unable to get the 2nd dose on May 24th.
