Online might be for you

TRADITIONAL

In a traditional course you will be expected to meet on an FSW campus on a regular weekly schedule.

LIVE FLEX

In a Live Flex course you choose how you attend each class. You can opt to come to campus for every class, join virtually by Zoom every class, or a mix that fits your needs. The class will always meet together at regularly scheduled times, but some classmates will be attending virtually.

LIVE ONLINE

Live Online courses are a special version of an online course where instruction occurs via Zoom during a regularly scheduled time.

ONLINE

In an FSW Online course all of your instruction and coursework occurs through Canvas and you are not required to attend any scheduled class meetings. Instructors may offer optional synchronous meetings, but not require them.

BLENDED - On Campus

In a Blended course your professor will mix required on campus class meetings with online coursework. The online portion of the course may be live in a virtual Zoom classroom or all asynchronous in Canvas. **All required class meeting dates and times will be posted in the course schedule for you to plan for.**

BLENDED - Online

In an FSW Blended Online course you will meet in a virtual Zoom classroom for some class meetings and also be required to complete coursework delivered online through Canvas. You do not have to come to campus. **All required class meeting dates and times will be posted in the course schedule for you to plan for.**
