Alumni Spotlight

The Interactive Class - How FSW Alumni are Changing the Way Kids Learn with Technology

As the school year comes to a close, we want to take you inside the classroom of two of our FSW alumni to show you some of the amazing things going on. Inside Joe Merrill's and Shelby Mayor's Lake Park Elementary's first grade classroom students are using technology in ways you wouldn't believe. Utilizing the latest apps and technology, these kids can do everything from research projects to video production. Take a moment to watch this short video and see what these first graders can do!
